STANDARD AND THERAPEUTIC VISITATION SERVICES AVAILABLE

WHAT: Toby Center Child Access Services provides supervised visitation, monitored child exchange and therapeutic visitation. Center locations offer parents and children safety, neutrality and comfort for transfer and supervised access/visitation. When appropriate, parents and children will enjoy our locations, including museums, university campuses and recreation centers. Center monitors are professional, trained, many are parents, and come from different fields as education or psychology. They are all respectful, compassionate and vigilant. Many are grandparents or divorced parents themselves. All monitors are trained to observe, to document, to guide.

WHO: Any parent, guardian or other family member with or without court orders seeking a neutral, family friendly venue for child transfer and supervised child access/visitation.

WHEN: All service times are flexible. Normal weekend schedule is Saturdays and Sunday with sessions scheduled 10 a.m. – 12 p.m. and 12 p.m. – 2 p.m. Child transfers are generally available on Friday and Sundays between 5 and 6 pm. *Additional times may be arranged for these services. Weekday and evening appointments are also available.*

HOW: Fees on Sliding Scale for Visitation and Monitored Child Exchange. Standard Visitation: \$50 to \$75 per hour. Therapeutic Visitation: \$90-120 per hour. Monitored Child Exchange fee is \$49 per one way exchange per day or evening. Prepayment required for all services with credit card or money order. Initial Intake and Orientation is required for all services and has a separate fee of \$180 or \$90 per parent or guardian. Unless otherwise waived, admissions required at park, museum, etc. is payable by parent serviced.

WHY: ALL FAMILY MEMBERS BENEFIT BECAUSE

- Compliance with child support obligations is linked to quality of child access.
- Our family friendly supervised visitation reduces the emotional conflict between parents and children.
- Expedites the transition to a more natural relationship between parents and children.
- Research has found that family friendly child access reduces the conflict level between parents.
